

Farming Naturally

*A technical symposium sponsored by
the SC Chapter of the Soil and Water Conservation Society*

**Register By Dec. 15th
for early bird rates**

South Carolina
**Soil & Water
Conservation Society**

This SC SWCS-sponsored symposium seeks to assist today's farmers in **going green by growing green**. The conference will help you explore natural farming practices and how they can help you diversify your operation, protect soil and water quality, and maximize profits.

Symposium Topics

- Water harvesting and recycling of water
- Economics of organic production and community supported ag. with Maria Baldwin of *Thornhill Farm*, McClellanville, SC
- Farming for pollinators and Farm Bill programs for pollinator conservation, presented by NRCS Conservation Agronomist Gene Hardee, Greensboro, NC
- SC Dept. of Ag's **Certified South Carolina** program and *SC MarketMaker*
- Transitioning from conventional to sustainable farming practices
- Integrated pest management

January 19, 2010

Hilton Head Marriott

- Symposium will kick off with lunch at 11:30 a.m. and conclude at 5:00 p.m.
- **\$75 for non-SWCS members**
